PH&N Institutional takes reasonable steps to provide up-to-date, accurate and reliable information, and believes the information to be so when printed. PH&N Institutional reserves the right at any time and without notice to change, amend or cease publication of the information.

Information obtained from third parties is believed to be reliable, but no representation or warranty, express or implied, is made by PH&N Institutional, its affiliates or any other person as to its accuracy, completeness or correctness. We assume no responsibility for any errors or omissions.

This information is not intended to be an offer or solicitation to buy or sell securities or to participate in or subscribe for any service. No securities are being offered, except pursuant and subject to the respective offering documents and subscription materials, which shall be provided to qualified investors. This document is for general information only and is not, nor does it purport to be, a complete description of an investment in any RBC, PH&N or BlueBay funds. If there is an inconsistency between this document and the respective offering documents, the provisions of the respective offering documents shall prevail.

Commissions, trailing commissions, management fees and expenses all may be associated with the funds mentioned in this presentation. Please read the offering materials for a particular fund before investing. The performance data provided are historical returns, they are not intended to reflect future values of any of the funds or returns on investment in these funds mentioned in this presentation. Further, the performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The unit values of non-money market funds change frequently. For money market funds, there can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Mutual fund securities are not guaranteed by the Canada Deposit Insurance Corporation or by any other government deposit insurer. Past performance may not be repeated.

The amount of risk associated with any particular investment depends largely on the investor's own circumstances. Investors should consult their professional advisors/consultants regarding the suitability of the investment solutions mentioned in this presentation.

This document may contain forward-looking statements about general economic factors which are not guarantees of future performance. Forward-looking statements involve inherent risk and uncertainties, so it is possible that predictions, forecasts, projections and other forward-looking statements will not be achieved. We caution you not to place undue reliance on these statements as a number of important factors could cause actual events or results to differ materially from those expressed or implied in any forward-looking statement.
